Tue. with [redacted] 5:45 PM 4/17/70

1/ Your lunch was right - [redacted]
 changes reflected [redacted] accounts,
 not generally - & showed some
 necessity to keep papers signed
 by Gen. to min.

2/ B agreed that

a/ DCI sig R+VB Ptn.

b/ memos to Chiefs of Mat. Int.
 agencies & to S/C should be
 sent, & to do so over my sig &

not the DCI - But this
 should be included in paper that
 DCI would approve when he
 signed off to R+VB.

c/ That old C^o would be
 carried out, by arrangements with
 [redacted] & not need to bring
 to DCI's knowledge.

Thank the circus all points of view.
 If not let's talk - I hate to
 think of sec. work involved -
 I gave B. choice of his saying in
 place of me - He said "you do it."
